*"Summertime, Summertime, Sum, Sum, Summertime....."*

Ah... It's summertime once again! And that means it's time for the Lakeshores Division to visit the Finger Lakes Live Steamers in Clyde, NY for our Annual Summer Picnic! This year we will once again get together with the Central New York division to have a day of Fun with the Large Scale Model Railroad that you can ride on! More information is found later in this issue.

Several members have asked for an update on the petition. I turned in the completed Petition to NFR President Richard Hatton at the NFR Convention in Ottawa, Ontario, CA on Saturday, May 7. Later in the day he told me he had checked over the petition and it looked to be complete (we had three signatures more than the required 2/3rds). The last week in May I contacted him to ask what happens next. His reply:

**"Currently I am awaiting a reply from the NER that they are still willing to accept the members they said they would. Mostly a formality but its been 2.5 years.**

**I will then send a copy of the signature list with the request to be transferred to all necessary people at NMRA. They will then add it to the agenda of the spring meeting. Once passed, I will be notified and Chattanooga will update everyone's NMRA membership and mail out the new cards.**

**So my guess would be early fall."**

Now you all know as much as I do..... :-) My thanks to all who have helped get this done for us!

Hope to see many of you at the picnic!
