LAKESHORES DIVISION - NFR - NMRA

The Lakeshores Division, NFR, NMRA will be hosting the Regional Convention in 2015. We are working with the RIT Model Railroad Club to put on a great Convention! We already have several fine layouts that will be on tour, several ideas for clinics, several tours and other events planned. If all goes well the Convention will be held at RIT. Only waiting for confirmation. Our thanks to Otto Vondrak for creating the Logo for the event!

This will be an event to remember and we will need a lot of help from our membership to do our best. More information will be coming your way soon.

Don't forget our next event will be the LSD Summer Picnic at the Finger Lakes Live Steamers on July 26. More info is found later in this issue. Hope to see you all there!
